

Pictures from the Past

Pete found old photos that show the way to Jebediah's favorite swimming hole on the Santa Cruz River. But they're all mixed up! Can you help Pete put the photos in order?

Each photo has clues that appear again in the next photo.

The first photo is of Jebediah by a saguaro with a drooping arm. The next photo has the same saguaro, plus a rock pile and a lizard's tail. Find another photo with the rock pile and lizard. Then check for more clues to follow from there!

What did Jebediah play on at the swimming hole? To find out, write the letters from each photo in order in these spaces:
